

Naturally Delicious

“It all started with a passion for great food”

Collaboration with local farmers

Delivering reliable supply of chemical free produce to hotels, restaurants and individual households.

Distributing in Yangon and Nay Pyi Taw.

Mission Statement

Strengthen and expand organic practices and commodities, which reduce the use of toxic, synthetic chemicals.

Create sustainable and secure food system that promotes healthy lifestyle and protects the environment.

From Seeds to Shelves

“We believe safe food is a shared responsibility”

- Farming
- Contract Farming
- Sourcing from local small scale suppliers

Certification Process

Farm Inspection

- Ban Bywe Village , Pyin Oo Lwin
- Kywe-Nwar-Htuke Village, Pyin Oo Lwin
- Oo Yin Wa
- Thit Ni Pin

Issues

- Fewer return
- Quantity over Quality
- Shifting from organic to GAP
- Comparing conventional food prices and chemical free food prices (25%more?)
- Limited shelf life

Challenges

- Growing market
- Pricing
- Raising awareness
- Weather / Climate Change
- Sustainability

Future Perspective

education and
awareness

Oo Yin Wa
Village ,
Phaunggyi ,
Yangon

Solutions

- Food safety is a non-competitive issue.
- Collaboration not competition
- We want to be a part of the solution, not the problem.
- Finding a common ground
