

Myanmar Digital Rights Forum 2020: Smart Cities

The Asia Foundation

Integrated Township Management System

Myan Khon

The Asia Foundation

ITMS is...

- A modular integrated e-Govt system**
- That has evolved over 4 years**
- In partnership with**
 - 3 local tech start-ups**
 - 14 Myanmar townships**
 - 15 government departments**
 - across 7 states and regions**

- 1. Using what's there**
2. Navigating trust
3. Towards inspired data collection
4. More realism, pls
5. Design with the user
6. Plan for the future

6 lessons from implementation

1. Using what's there
2. **Navigating trust**
3. Towards inspired data collection
4. More realism, pls
5. Design with the user
6. Plan for the future
